Serial No. **10/633,538**  
Attorney Docket No. 030927  
Date Response Filed: December 15, 2005

**REMARKS**

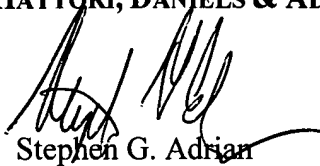

Applicants request entry of new claims 21 and 22, which respectively correspond to original withdrawn claims 7 and 12.

Claims 7 and 12 were cancelled by the Examiner in the Examiner's Amendment set forth in the Notice of Allowance. These claims, however, were withdrawn species claims which depended from allowed generic claims 1 and 11, respectively. See the Office Action dated November 3, 2004, indicating that applicants will be entitled to consideration of claims to additional species which are written in dependent form upon allowance of a generic claim. Since claims 7 and 12 depended from allowed claims 1 and 11, respectively, it is believed that applicants are entitled to consideration of these claims. Accordingly, entry of new claims 21 and 22, respectively corresponding to claims 7 and 12, is earnestly solicited.
